Chevy S10 Tahoe extended cab

2 door 4.3 liter (is not 4x4 wheel drive)

172,000 miles

Kept maintained regularly and NO ISSUES! RUNS AND DRIVES AWESOME!

The check engine light is on due to a wire from the stereo system. Easily corrected, it just never bothered me to go to Best Buy to have it fixed.

There is a few minor paint splotches but nothing major and in excellent condition for its age.

There is a cracked windshield but is not an issue of view. Have not replaced it because I just don't know how to.

The reason for selling is it is a second rig, gets used once a week or so since new car for Christmas. Also need space in driveway.

\$3,500 is as low as I will take. Serious buyers inquire only please.
