2007 Outlook Winnebago with 49,000 miles. This is a great deal. The motor home is very clean inside and out. I was told at an RV lot that a person couldn't even buy a truck for what this RV is selling for. I have a set of brand new covers for the RV and tires. I am giving these covers free with the sale of the RV. If interested please call 251-979-2943. The RV is located in Seminole. I am a private owner. I live in Loxley and will be happy to make an appointment to show the RV. Call me let's talk
